

OPTICAL FIBER CUFFS

REQUEST FORM

i. Fill the table according to the desired number of fiber-

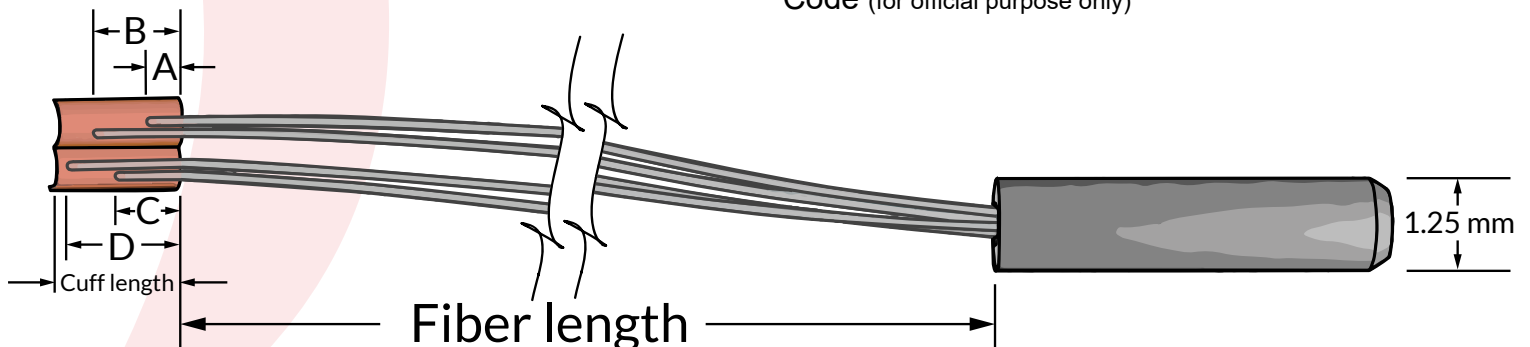

- 1- Specify the position of each fiber in the cuff.
- 2- Specify the desired length of each fiber in the cuff.

Number of fibers*	1	2	3	4	5	6
Fiber name	A	B	C	D	E	F
Vertical fiber position in the cuff. (Top or Bottom)**						
Fiber depth (mm) in the cuff from the edge of the cuff to the end of the fiber. (± 0.2 mm)						

**Maximum of 3 fibers on each side of the cuff.

- ii. Fiber-optic code:
- iii. Receptacle code:
- iv. Fiber length (1-100 mm):
- v. Cuff internal diameter (mm):
- vi. Cuff length (1-10 mm):

Code (for official purpose only)

**The schematic is an example of how the optical fibers can be set in the cuff.
